

MIKROS

HORIZONTAL DRY VACUUM CLEANERS

The latest new entry of Wirbel house among the small professional vacuum cleaners. It is a great combination of power and manoeuvrability, sturdiness and lightness that makes this unit highly competitive. The use of PP and a new system of sound-dampening, allows the vacuum cleaner to be even more silent. Mikros is provided with cable and accessories holder. Energy efficiency class: B.

POWER D 12 HE

DRY VACUUM CLEANER

Efficiency and energy saving are market requirements. Wirbel addresses this need in the best way, revolutionizing its flagship model with the maximum energy saving and unbeatable performance. POWER D 12 HE (High Efficiency) is the right answer to this need. Shape and equipment unchanged, but thanks to new suction motor of 650 W, it represents the perfect mix of reliability, cleaning performance and consumption. Energy efficiency class A.

New fixing system

Detachable cable 15 m (on standard equipment)

Inside container of great dimensions

Bayonet hose connection

Indicator for "Dust bag full"

Motor protection filter + HEPA cartridge filter

Exhaust air filter

Socket for power brush
